

The Left is Dangerously Close to Turning Arizona into California ...

DID YOU KNOW?

Governor Katie Hobbs wants to impose California's **DANGEROUS, COSTLY, and OPPRESSIVE** policies on Arizona. She has even pledged spending millions to flip Arizona blue.

The Legislature is hanging by a thread ...

A SINGLE REPUBLICAN in the House and Senate is all that stands in the way of her radical agenda to turn ARIZONA into CALIFORNIA.

Arizona House of Representatives

29 Democrats

31 Republicans

Arizona State Senate

14 Democrats

16 Republicans

Hobbs and the Left's Plan to Turn AZ into CA:

**Open Borders
& Endless Crime**

DANGEROUS

Just like in California, the Arizona Left wants open borders and endless taxpayer incentives for illegal aliens. They'll invite California-level crime by slashing criminal sentences, legalizing squatting, eliminating bail, and fully decriminalizing theft - attracting sophisticated crime rings to our state.

**High Taxes &
High Unemployment**

COSTLY

Just like in California, the Arizona Left wants to make Arizona one of the highest tax states in the country, shut down building single family homes altogether, and crush small businesses with a high regulatory burden.

**Woke Schools &
Corruption**

OPPRESSIVE

Just like in California, the Arizona Left wants state-sanctioned racial discrimination, gender mutilation surgeries for minors, to repeal the Parents Bill of Rights, draconian penalties for "climate crimes" and to reward their political allies with taxpayer dollars.

The Bottom Line ...

Don't let the Left turn Arizona blue!
